ENTRY IN SERVICE

Kalna College, Kalna, Purba Bardhaman is one of the oldest colleges in the Burdwan district now at Purba Bardhaman . At the beginning it was under The Kolkata University and of late it is under The University of Burdwan. It was once purely academic setup. But when situation demands extra-curricular activities as well as employment scope from the College, the College authority takes initiative to cope with situation. Accordingly, the College had taken initiative a lot of fruitful measures for the interest of the students of the College. 'Entry-in- service' is one of such measure. Most of the students of this College are financially poor back ground. Somehow their parents manage educational expenditure. But only degree is not enough to get any Govt./ Semi Government /private concern services. Methodically and systematically service coaching is very useful and badly needed to get services under Government /Non-government. Thinking so 'Entry –in- service' for the students especially for the weaker students has been introduced.

'The Entry- in- service' commenced in the College campus in the session 2016-2017 at the advent of July. Honourable then Sub Divisional officer, Nitin Singhania inaugurated the programme. He delivered a short but attractive lecture on the programme. Dr. Tapas Samanta, Principal & Secretary of the College highlighted the importance of the 'Entry- in -service' by his lecture. Prof. Ashoke Kumar Modal, Programming officer also spoke regarding the programme. Many teaching and non-teaching staff and also students attended the programme

So far, the recorded we abled to collect that a few (Two or three during last two-year coaching) got service. Many other students were much benefitted by dint of this Coaching and they are now applying these short cut methods taught here in different types of competitive examinations. But due to covid situation we could not arrange such programme since 2018-2019. Hope when situation will be more normal, we shall further take initiative to arrange such programme so that students specially economically weaker sections will be benefitted . Interests amongst the students with reference to this coaching had already grown.

It is fact that Employability Training (TCS) is now the best career counselling programme at Kalna College. Existing students and even alumnus of the Kalna College want to participate in the training. Many students are now established in their lives by obtaining job through career counselling process from this College. No thanks is enough for TATA company. We are really indebted to this concern. But due to pandemic covid situation -19, last two respective years it was not possible for arranging the programme. Of course, one batch for the academic year 2021-22 is being trained. Soon some of them as per selection procedure will be appointed.
