

Alumni Feedback Analysis

Sl. No.	Feedback Report	Action Taken
1.	Overall Teaching Method	The satisfaction level is high. Still there is no scope of complacency, The teachers are requested to use ICT enables methods of teaching to the fullest extent.
2.	Overall environment of the college	The satisfaction level is high. However efforts should be taken to improve further. Entry of outsiders should be restricted and the Principal is requested to take the necessary steps. The water body inside the campus should be properly cleaned and maintained. The effort has been taken in this regard.
3.	Degree of cleanness of the college	The satisfaction level is high However some measure should be adopted to keep the class rooms, corridors, staircase cleaner throughout the year. The college has taken measures in this regards and additional sweeper on daily wage basis have been appointed.
4.	Condition of the office and administration of the college.	The satisfaction level is high. Still some positive measures should be taken to reach the expectation level. Group- D staff should be recruited to cope with the work load of the college. It is admitted that the number of non- teaching staff in the college has reached to the bottom level. However, the authority has to be recruited some non-teaching casual staff to meet the needs and effort has to be taken to recruit the permanent non-teaching staff which is kept under stalemate condition.
5.	Overall infrastructure of the college.	In spite of high satisfaction, they opined that expansion of Library, reading room and office is required. The college has constructed a new building (Tarapada Thakur Block) adjacent to Library and some departments have been shifted there. So care is be taken for the expansion of library there.
6.	Canteen facility	The satisfaction level is low. The space in the old canteen is quite small. The new canteen with large space is to started soon,
7.	Condition of Library	The satisfaction level is high. The library facility will be increased more to students, teachers, employees in future by proving more books.
8.	Separate Common Room for Boys and Girls.	The satisfaction level is high. But there is no common room for B.Ed. students. The effort has been taken in this regard.
9.	Separate Hostel for Boys and Girls.	The satisfaction level is low. The college has two Boys Hostel having capacity of 120 students but the occupancy by the students is poor. The Hostel was closed during COVID-19 pandemic. The Girls Hostel has capacity of 98 and yet to be completed. The effort has been taken.
10.	Supply of pure drinking water.	The satisfaction level is high. The college has arranged sufficient number of water purifier for students.
11.	Students' Toilets	The satisfaction level is high. As the college has large number of students the care has been taken for their cleanness and maintenance.
12.	Interaction of Alumni in different activities.	The satisfaction level is medium. There should be closer bonding between alumni and the college. The effort has been taken. During the Platinum Jubilee celebration a large group of alumni have taken active participation in the programme.
