

## Safety and Security

At Kalna College, for the safety and security of the girl students, necessary steps have been taken:

1. At every corner of the college campus (including the corridors) CCTV surveillance has been installed.
2. The security guard keeps a constant watch on the safety of the girl students.
3. During offline examinations, considerable number of women police are recruited in the college premises.

## Counselling

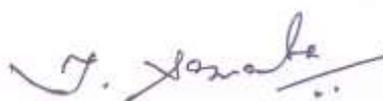

Date	Activity	No. of Participants	Action Taken
12/02/2019	Counselling of girl students	100	<p>The students' complaints were analyzed, and proper guidance, assurance and consolation were provided to them.</p> <p>The complaints were communicated to the Principal and the IQAC Convenor, and the college authorities took necessary steps.</p>
